

for people on the move

Linda Hoeben – Help expats turn their relocation into a successful adventure!

If you find yourself having a hard time as a (new) expat in Brussels, come to our evenings around the fire and create the meaningful network you have always dreamt of.

In the warm glow of the fire light or in a Mongolian tent, you can connect with like-minded people.

First 2 evenings out of 6: Thursday, September 17th and October 1st 2015 from 19h30 till 22h00.
